Wellness Care Form

Bio-Energetic Synchronization Technique is ultimately about wellness care. Granted, many of us will have symptoms or issues that need to be dealt with immediately, but eventually, as those become resolved, we have the ability to create the life and health picture of our dreams.

In order for our office to assist you in achieving your wellness status, help us define what that would look like for you. List 3 goals you would love to achieve regarding your perfect health and your ideal life. (Use your imagination and assume that anything would be possible for you.)

1. _____
2. _____
3. _____

On a scale of 1 – 10, with 1 being “not much” and 10 being “almost anything,” demonstrate what you would be willing to change, let go of, shift, start, or stop in order to accomplish these goals.

1 2 3 4 5 6 7 8 9 10

- Does it *feel* possible to personally achieve these goals?

Yes No

- Would you be willing to investigate any *subconscious* interference that may be getting in your way? (You won't need to reveal any personal information in order to do so.)

Yes No

- Have you ever had someone demonstrate (via muscle testing) how your *subconscious* beliefs can sabotage your ability to obtain your goals? The Law of Attraction operates through your *subconscious* mind. What your *subconscious* believes is what will manifest in your life.

Yes No

- Did you know there is a procedure you can easily learn that would enable you (working with a partner) to remove the *subconscious* interference that stops you from achieving your goals?

Yes No

- Would you like to learn how? It's called BEST RELEASE.
